CIRCULAR

To,

All Indian High Explosives Manufacturers

Sub: Extension of final date for closure of “Standardisation Software Module to compile data on Explosives, Factories, Buildings, etc” for Implementation of SETT - Reg.

Attention of all High Explosives Manufacturers is invited to this office Circular of even No. dated 5th February, 2018 on launch of SETT – “Standardisation Software Module” to compile data on Explosives, Factories, Buildings, etc.

As requested by few High Explosives Manufacturers, the date of closure of the SETT- “Standardisation Software Module to compile data on Explosives, Factories, Buildings, etc” is extended up to **28th February, 2018 by 5.00 PM.**

All High Explosives Manufacturers are advised to complete this one time exercise by entering all the requisite data and upload on or before 28th February, 2018 as the SETT- “Standardisation Software Module” will be **CLOSED on 28th February, 2018 by 5.00 PM.**

The detailed guidelines in this regard are enclosed herewith as Annexure-1.

For any further query / assistance related to the operation of SETT- “Standardisation Software Module” may email at support.ers@explosives.gov.in.

Yours faithfully

Encl: A/a

[N.T. Shahu]

Chief Controller of Explosives

Guidelines

- 1.) The Link to access the **SETT- “Standardisation Software Module”** is provided in the ERS (*visible after login*) only for the high explosives manufacturers, using their one of the existing ERS’s User ID & Password. The **SETT- “Standardisation Software Module”** can also be accessed directly through the URL <http://117.239.184.42/SETT/Account/Login> by them.
- 2.) Though, the link will be available for all the user ids of every the manufacturer registered under LE-1 (old Form-20), it is recommended to assign one of your User Id and Password for operation of this **SETT- “Standardisation Software Module”** and **USE ONLY THE SAME USER ID & PASSWORD** throughout the process.
- 3.) This is a one time exercise and the **SETT- “Standardisation Software Module”** will be **CLOSED** on **28th February, 2018 by 5.00 PM.**
- 4.) On 1st March, 2018, PESO will initiate the standardisation process by analyzing online standardisation data submitted by all Indian Explosives Manufacturers and assign/finalize various Codes for every Manufacturer, Factory Location, Manufacturing Building and Size Codes for each and every authorized explosive. The codes assigned/finalized by PESO will be communicated to the respective manufacturers, which will be used by them while generating and printing of 2D BAR CODES (Data Matrix) for the System for Explosives Tracking & Tracing (SETT).
- 5.) The detailed Help Operational guidelines / user manual to use **SETT- “Standardisation Software Module”** are available under “Useful Links” on the login page.
